Beef Sires 2016

I am delighted to present you with our 2016 beef semen catalogue.

We are UK semen agents for KBS Genetic, France and NCBC, Ireland (Progressive Genetics / Munster AI). As a result we can offer beef semen of the highest quality to meet the requirements of commercial and pedigree breeders.

I am 'on the ground' on a daily basis, visiting farmers, breeders, finishers and livestock markets nationally and internationally. This enables me to be in a strong position to understand the latest market requirements.

We specialise in buying high quality breeding and store cattle for a wide range of customers. In addition, our farm has a specialist beef finishing unit through which we export top quality finished cattle to the continent.

Mae'n bleser gennym gyflwyno ein catalog had biff 2016.
